2005 National Community Sector Forum

Sustainable, informed, connected and able!

Brentwood Hotel, Kemp Street, Wellington
Friday 11th November from 9:30 am to
Saturday 12th November at 4:00 pm

Two great days of speakers, workshops, discussions,
and caucusing are planned!

Content will focus on Strengthening the Sector and
Strengthening Relationships with Government.

Sponsorship for the Forum has made it possible to
subsidise costs for the programme, accommodation and
catering. The Taskforce wishes to ensure broad
involvement from right across the Sector – including
from regions, sub-sectors, population groupings and
national and umbrella organisations.

There is a registration fee of \$50 and modest travel
subsidies will be available for those organisations that
require assistance to attend.

The Taskforce is committed to a Tiriti/Treaty-
relationships framework, and each part of our Forum
will use that model – with regular caucusing for Tangata
Whenua and Tangata Tiriti – then the two “houses”
meeting together to reach a shared agreement on
common ground.

We expect 150 to 200 people from every region, every
part of the Sector.

If you are active in the Sector, keen to be connected in
your region and nationally, and support a Sector which
is SUSTAINABLE, INFORMED, CONNECTED &
ABLE – join us.
